

# Svengali's Goes Bollywood

## Glitz, Glamour, and Glitter

The Svengali's team went Bollywood at this year's Contessa Awards, Canada's largest and most prestigious award honoring excellence in salons across Canada - and Shiraz was honored for his success in establishing Svengali's, an industry leading salon in the heart of Markham, since coming to Canada. Congrats Shiraz!

The Bollywood angle? Svengali's group of talented stylists and colourists were enlisted to supply some extra sparkle to Bollywood dancers who performed at the event.

Getting the look just right... Marisa shows the same attention to detail for all of her Svengali's clients.

Shiraz and Leslene work together to find just the right look.

The team takes a chance to relax after a long night!

Finishing touches make all the difference — no one knows this better than Svengali's stylists Olga (left) and Kara.
